

SASKATCHEWAN GOLDEN JUBILEE SCHOOL HISTORIES

SASKATCHEWAN ARCHIVES BOARD

Microfilm Reels R - 3.1 to R - 3.38

These 38 microfilm reels contain copies of about one-half of the approximately 2,000 local histories produced by provincial school groups in 1955. They were written as part of the Golden Jubilee celebrations commemorating the 50th anniversary of the formation of the Province of Saskatchewan. They were prepared by pupils and teachers in accordance with a guide circulated by the Department of Education, and formed a part of the school curriculum for that year. The completed histories were submitted to a special Jubilee Sub-committee on Historic Sites, Maps and Publications. Those included here were microfilmed by the Saskatchewan Archives Board before the originals were returned to the school groups which had created them.
